Step through the front door and into a spacious entrance hallway that leads you directly into the heart of the home - a stunning open-plan kitchen, dining and living area. Soft-close cabinetry and ample worktop space make this a stylish yet practical hub for everyday living.

Tucked just off the main living space is a generously sized study - ideal as a peaceful workspace, guest room or even a third bedroom - conveniently located next to the modern ground floor shower room, making it perfect for visiting family or live-in support.

Heading upstairs, you'll find two beautifully appointed double bedrooms, each with its own private en-suite. The master bedroom features built-in sliding wardrobes, while a discreet fitted lift provides direct access from the lounge below - a thoughtful addition to support long-term comfort and accessibility.
