Description
Harris Shields Collection are delighted to offer to the market this ground floor FREEHOLD flat which is one of 2 units within a mid terraced 3 storey property built in the early 1900's. Benefitting from Gas Central Heating, the property is accessed via a side entrance, the property briefly comprises: Entrance Hall, Lounge, Fitted Kitchen, Double Bedroom and combined Shower Room/ WC. Located very close to Bridlington Town Centre, within very easy walking distance from the north sea front, shops, cafes, bus station etc etc this is, in our opinion, a superb little holiday retreat, offered with NO ONWARD CHAIN - viewing is highly recommended!
