Description

A well-presented two-bedroom terraced home situated on the popular Garfield Road, offered to the market with no forward chain. The property features a gravelled rear garden and the rare benefit of a detached pitched-roof garage with an electric door, accessed via a service lane at the rear. Internally, the accommodation comprises an entrance hall leading to a bright, bay-fronted lounge with a feature fireplace, a separate dining room, and a modern fitted kitchen complete with integrated oven, hob, and extractor. Upstairs, there is a spacious double bedroom to the front, a second bedroom overlooking the garden, and a generous family bathroom fitted with a white suite and shower over the bath. The home has recently been updated with new flooring on the ground floor and further benefits from gas central heating and UPVC double glazing throughout. An ideal purchase for first-time buyers, investors, or those seeking a conveniently located home ready to move into.
