Externally Barncroft Close is situated on a spacious cul-de-sac with Parking for several vehicles whilst to the rear garden offers a large lawn area with mature shrubs and trees with Patio for alfresco dining on those warm summer evenings.

We love the location due to its extensive farmlands and beautiful walks on the doorstep, however equally for the family Chelford Primary School and Train Station are a short stroll through the popular Dixon Drive Estate and not far from local shops, bars and boutiques.

WHAT ATTRACTED OUR VENDORS TO THEIR HOME

Quite simply the space! and it is excellent. They have also shared with us that the property is FREEHOLD, and has the benefit of cavity wall insulation and they are particularly favourable with the i-solar system that reduces electricity costs, that has been a huge

plus point!
