The kitchen/sitting/dining room offers plenty of natural light with several windows including a large 'picture window' in the sitting area while the kitchen is fitted with a selection of high specification appliances. Further accommodation includes a downstairs cloakroom, two double bedrooms with fitted wardrobes and a shower room.

There is allocated parking for one car in the rear courtyard and the access can be found off Causeway.

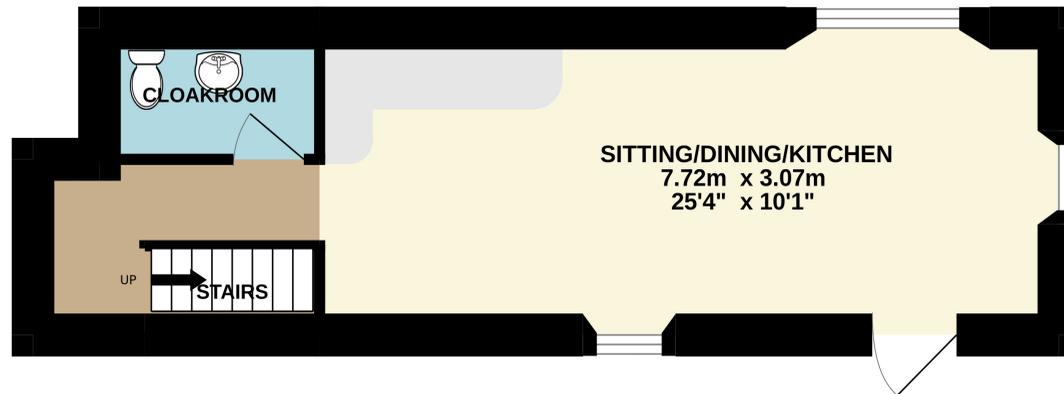

The mews houses will be offered for sale as freehold titles and are fitted with the latest low energy/high efficiency electric heating plus a 10 year building warranty.

Services connected include mains water, drainage and electricity; there is no mains gas connected to these apartments. While the property is freehold, there will be fee payable to contribute communal external lighting and is expected to be £100 per annum.
