

Kyrenia

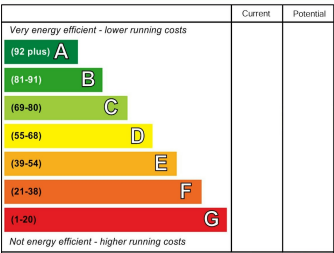

Prices From £153,950

Fraser Properties Cyprus are excited to offer these new luxury 1-bedroom apartments being built by one of the islands most reputable builders!

Located in the heart of Kyrenia, these modern residences offer high-end features including a VRF air conditioning system, backup generators, and a smart home system for convenience and comfort.

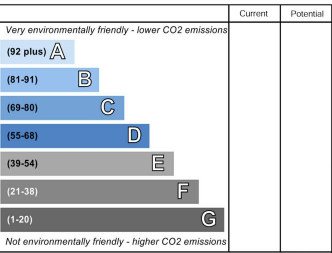

Residents will enjoy access to communal pools, a fitness center, and underground parking. The apartments come with white goods and are within walking distance to all amenities and the harbor.
