

## Kyrenia

**Price £195,000**

Fraser Properties Cyprus are excited to present beautifully finished 2 Bedroom penthouses for sale in the sought-after Turkish Quarter of Kyrenia with a spacious terrace offering stunning panoramic views of the Mediterranean!

Recently completed, this modern property features a large open plan kitchen & lounge, granite worktops, built-in bedroom cupboards, elevator access, emersion hot water, allocated parking and air conditioning throughout.

Centrally located just 10 minutes from Kyrenia Harbour and close to all amenities.

A great investment opportunity - don't miss out!!!

Energy Efficiency Rating

|                                             | Current | Potential |
|---------------------------------------------|---------|-----------|
| Very energy efficient - lower running costs |         |           |
| (92 plus) A                                 |         |           |
| (81-91) B                                   |         |           |
| (69-80) C                                   |         |           |
| (55-68) D                                   |         |           |
| (39-54) E                                   |         |           |
| (21-38) F                                   |         |           |
| (1-20) G                                    |         |           |
| Not energy efficient - higher running costs |         |           |

England & Wales EU Directive 2002/91/EC 

Environmental Impact (CO<sub>2</sub>) Rating

|                                                     | Current | Potential |
|-----------------------------------------------------|---------|-----------|
| Very environmentally friendly - lower CO2 emissions |         |           |
| (92 plus) A                                         |         |           |
| (81-91) B                                           |         |           |
| (69-80) C                                           |         |           |
| (55-68) D                                           |         |           |
| (39-54) E                                           |         |           |
| (21-38) F                                           |         |           |
| (1-20) G                                            |         |           |
| Not environmentally friendly - higher CO2 emissions |         |           |
