ACCOMODATION

Rich in character and charm, this beautifully maintained home offers a rare opportunity to enjoy village life with the added benefit of private off-street parking and a picturesque rear garden that opens to sweeping views of open fields and the surrounding countryside.

Lovingly cared for by its current owners, Little Dormers retains its period appeal while offering scope for sympathetic enhancement, subject to the necessary consents-perfect for those wishing to add their own personal touch.

Inside, the accommodation features a welcoming open-plan living and dining area, anchored by a stunning inglenook fireplace. To the rear, two doors provide access to the garden and to a well-appointed kitchen with ample units and space for appliances. Beyond the kitchen lies a contemporary white bathroom, thoughtfully designed for modern living.

Ascending the original staircase, the principal bedroom offers built-in storage and a separate washroom/WC. A further staircase leads to the second double bedroom, complete with a built-in cupboard and washbasin. This upper room enjoys particularly charming views across the garden and countryside beyond.

OUTSIDE

Situated in the heart of Cuckfield, this charming property is approached from the road via a short flight of steps, framed by a delightful collection of period homes that enhance its historic setting. The rear garden is a true haven-an enchanting west-facing space extending approximately 100 feet, bordered by mature shrubs and hedges that provide privacy and a vibrant display of colour throughout the seasons. The property also benefits from it's own private parking space accessed by a side road leading round to the back of the garden.
