LOCATION

Situated in a desirable North Horsham location, Bostock Avenue offers a quiet yet convenient setting. It's within walking distance of both Littlehaven and Horsham stations, with excellent commuter links to London. Local schools, shops, green spaces, and play parks are all nearby - including Holbrook Primary School and North Heath Community Primary. This address also benefits from immediate rear garden access to the cricket pitch, perfect for dog walking, family play, or cricket lovers. The area is well-connected by road and public transport, making it a popular choice for families and professionals alike.

PROPERTY

This well-presented three-bedroom, three-storey semi-detached home offers a flexible layout and fantastic future potential. The ground floor features a bright lounge with fireplace, a spacious open-plan kitchen/diner with doors to the garden, and a welcoming hallway. The first floor includes two double bedrooms, a large single, and a modern family bathroom.

A major advantage is the existing staircase to the loft, which is already floored and ready for conversion into a fourth

bedroom, home office, or playroom (STPP). The home is neutrally decorated and move-in ready, with excellent natural light throughout.

Outside, you'll find a detached outbuilding offering ideal potential for a home office, plus a private garden with direct access to the cricket pitch. This is a rare opportunity to secure a home with space, scope, and a direct connection to the outdoors.

OUTSIDE & PARKING

The landscaped rear garden is a standout feature, beautifully arranged with a combination of patio, lawn, raised beds, and an established pond that brings a calm, natural charm to the space. A rear gate offers private direct access onto the cricket pitch, creating a unique outlook and endless opportunities for dog walks, play, or sport. The garden also features a detached outbuilding, offering excellent potential for conversion into a home office. To the front, there's a tidy lawn and off-street parking for multiple vehicles, making the outdoor space both attractive and highly functional.
