

OSTERLEY GARDENS, SOUTHALL, UB2 4UW

Guide Price: **£450,000**

About the property

What the owners love:

What first drew us to this flat was the spacious upper floor, two bathrooms, and how low-maintenance everything is. The easy parking and good security were big pluses - and being just a short walk to the Elizabeth Line with direct links to Paddington and Tottenham Court Road makes it an amazing spot.

Why we would buy this property:

In a world obsessed with postcode snobbery, this split-level sanctuary offers something far rarer than your run-of-the-mill flat: narrative. Nestled within the storied bones of a 19th-century hospital - now a beautifully reimagined gated development - it's a place where architecture isn't just functional, but emotionally resonant.

It's not just three bedrooms and two bathrooms (though tick, tick), it's circa 1,200 square feet of uniqueness and comfort: high ceilings, expansive rooms and flowing space.
