

About the property

What the owner loves:

I have loved Endsleigh Road since 2011. The location was ideal, great transport links to Ealing Broadway, Chiswick and Heathrow airport and now getting into central London is super quick with the Elizabeth Line.

I fell in love with No 9 the moment I walked in. It's a wonderful house which captures the sun throughout the day whether it's summer or winter the sun's rays radiate throughout the house. It's such a welcoming house and I have so many fond memories of having family and friends coming to stay, with evenings spent in the garden which is a hidden oasis, with many variety of birds visiting on a daily basis.

It's now time for me to move on and for someone new to love this house, and become part of this great local community.
