

About the property

What the owner loves:

I grew up in beautiful Ealing and my parents still live on the other side of Walpole park. When St Mary's square came up for sale 11 years ago, I knew it was perfect for me. I have loved this wonderful home and put every detail into designing, extending, modernising and refurbishing it. I hope the next owner enjoys this fabulous cottage just as much as I have.

What the agent says:

Boasting over 800 sq ft of meticulously designed and maintained living space, this residence presents an idyllic opportunity for young families and downsizers yearning for period charm fused with modern elegance.
