Description

This beautifully presented property really is the best of both worlds; positioned in a cul de sac with no through traffic, yet just a stone's throw away from the hustle and bustle of the popular village with all its shops, eateries, multiplex cinema and Park Runs. There is one allocated parking space, and another shared with the neighbour on a first come, first served basis.

As soon as you step into this house you will notice how light, bright and airy it is. Decorated neutrally with brand-new light grey carpets and flooring throughout, the front door opens onto the entrance lobby with the stairs leading up, and into the lounge diner which overlooks the front of the property. A door gives access to the rear lobby, which in turn opens out to the rear garden. There's also access to a very handy large storage cupboard, plus a downstairs cloakroom with a crisp white suite and window to the rear; an archway leads to the kitchen – an ideal layout for those summer gatherings in the garden. The kitchen has just been refitted with modern light grey units with attractive white brick-style tiling and granite-effect work tops. An integrated oven, hob and extractor are included and there's space for your washing machine and freestanding fridge freezer.

Upstairs from the landing, there is access to the loft, which is boarded. Both bedrooms are generous doubles, with the main bedroom being fitted with two double wardrobes and overlooking the garden. The bathroom has floor to ceiling tiling and is fitted with a tidy white suite, which has a shower over the bath and a heated towel rail.

Outside, the west facing approaches 40' and is laid mainly to lawn with a small patio area – perfect for low maintenance, or a blank canvas if you have green fingers! A gate gives rear pedestrian access.

We do recommend an early viewing to snap up this neat property, so take a peek at our online video tour and give us a call to arrange a viewing.
