Description

Hamble Park is in an enviable location close to Warsash Common for those who enjoy their walks and just a mile's stroll to Warsash Village centre and with good local pub and Tesco local nearby. Driving into the park you immediately are aware of how well tended and cared for the greenery and roadways are. There is an on-site manager to keep things shipshape.

We know that the new owner will need to undertake some TLC to bring back to life this mobile home and bring back its curb appeal. There is a driveway providing parking for one car leading to one side of the property and two access doors leading into the lounge or central hallway. From the hallway, doors lead off the hall to the bedrooms and shower room and into the kitchen. The kitchen is fitted with wall and base units, integrated appliances that include an inset four-ring gas hob, an electric oven beneath and an extractor over. Additionally, there is space for a fridge/freezer and washing machine. The gas combination boiler is hidden away in a matching cupboard. There is room for a small table and chairs, and a doorway to the open-plan living room at the front of the home with dual-aspect windows letting in lots of light. There is a second entrance door to the side too. Both the bedrooms have fitted storage with wardrobes. The more modern shower room has a full-length shower cubicle, pedestal wash hand basin and W.C.

The gardens sit either side of the home with a variety of lawned areas and mature shrubs. Behind the home is a private, secluded area and storage shed.

Roll up your sleeves and what a fantastic opportunity to bring this once-loved home back to life. Keys are held by Robinson Reade, so if you want to have a look, please ring the office and one of our experienced members of staff will be very happy to show you over.
