Double French doors open out onto your own glass-framed balcony - ideal for getting away from the 'hustle & bustle' of family life.

There is ample space for a king-sized bed, wardrobes and dressing space.

The en-suite is luxuriously designed, with tiled flooring and walls, a free-standing bath, shower cubicle with drench head; and natural light from the skylight.

The garage has underfloor heating, making it ideal for keeping those DIY projects nice 'n' warm!

Garden and the Views

The large, landscaped garden is a blank canvas to place your own green-fingered stamp on.

There's raised borders to add colour and height and a good-sized area immediately behind the house for entertaining and enjoying the sunsets.
