Situated in the heart of the ever-popular village of Oakworth, this charming and characterful cottage offers a delightful blend of traditional features and comfortable living. Retaining many original period details, including exposed timber ceiling beams and attractive stone mullioned windows, the property exudes warmth and heritage throughout.

The ground floor accommodation comprises a welcoming lounge, a well-appointed kitchen, and a bright conservatory that offers additional living space and pleasant views over the garden. To the first floor, there are two bedrooms alongside a modern three-piece bathroom suite. The property benefits from uPVC double glazing and gas-fired central heating, ensuring comfort all year round.

Externally, the home features a low-maintenance yard to the front and a paved patio area to the rear, ideal for outdoor seating and entertaining. Beyond this lies one of the property's most impressive and rarely available features – an extensive garden plot, offering a wealth of potential for gardening enthusiasts, families, or those simply seeking additional outdoor space.

Oakworth itself is a well-regarded village with a strong sense of community and a range of everyday amenities, including hairdressers, take-aways and a local Co-op. The nearby Holden Park provides a scenic green space for leisure and recreation. For families, Oakworth Primary School is located within close proximity and was rated 'Good' by Ofsted in its most recent inspection in December 2022.

The area is well-served by public transport links, providing easy access to Keighley town centre and further afield. Properties of this nature, particularly those with such generous gardens, are seldom available and early viewing is highly recommended to fully appreciate everything on offer.
