Keighley, BD22 7DP

Offers In The Region Of £170,000

This property is currently arranged as two self-contained maisonettes, created by the present owners as a rental investment. The accommodation comprises a two-bedroom flat and a three-bedroom flat, both of which benefit from uPVC double glazing and gas central heating. The property is being sold as a single dwelling and offers the potential, subject to the necessary planning consents, to be reinstated as one family home if desired.

The ground and lower ground floor maisonette includes a spacious living room, fitted kitchen, utility room, washroom, two bedrooms and a bathroom. The first and second floor maisonette offers a separate living room, kitchen, utility room, washroom, three bedrooms and a bathroom.

While certain areas of the property would benefit from modernisation, this has been reflected in the asking price, making it an attractive option for buyers seeking a project or an investment. Externally, the property enjoys a yard with a decked area and off-road parking.

This is an excellent opportunity for investors or purchasers looking for a versatile property with scope for improvement.
