12 Inholms Gardens, Flintham, NG23 5LQ

A newly completed full renovation and refurbishment of this detached family home that occupies a generous plot with stunning countryside views to the rear. Finished to an incredibly high standard throughout to include all new plumbing, heating, full re-wire, new windows and a new roof. The property has been extensively landscaped to include double block paved driveway, Pergola and raised patio terrace with surrounding feature wall complimented with external lighting. In brief the accommodation consists of entrance hall with wood panelling and herringbone floor leading to a fabulous kitchen diner with bi-fold doors with both living and dining areas. Beautifully appointed living room with media wall and Polaris feature fire. Conservatory and D/S WC. Upstairs the impressive principal bedroom has an en-suite and there are two further double bedrooms and a luxurious bathroom with separate walk-in shower. Detached brick built garage with utility room the rear. The size of the plot and those incredible countryside views means this home really needs to be viewed to be fully appreciated. Popular village with excellent local primary school and village pub.
