Standing behind a secure driveway and pedestrian gate a brick paviour driveway forms the approach to this delightful light and airy two storey property. The reception hall is laid with large porcelain tiling which continues through to the extended kitchen family room, lounge, study and w.c. The ground floor benefits from underfloor heating throughout and the house is wired for category 6 communication with integrated Sonos in the kitchen and lounge areas. Full double glazing and gas central heating ensure a warm and comfortable living environment throughout the house.

Bifolding doors from the kitchen/dining/family room and lounge onto a raised terrace, facing south east with glass balustrading. The kitchen/dining room is open plan to the living room but can be closed off by double glazed doors and is fitted with a good range of Schiller handleless German kitchen units. A central illuminated island and breakfast bar provides matt black glass fronted cupboards below a quartz working surface. Equipment includes a Bosch double oven, microwave, 5 burner gas hob, extractor unit, dishwasher and wine fridge. Space for American fridge freezer. Bifolding doors afford green views across the terrace and gardens which can also be accessed from the living room which is laid with engineered oak flooring.

The utility room has been designed to accommodate a fridge freezer, washing machine and tumble dryer.

A re-designed first-floor landing is spacious and on one level leading to four double bedroom and a smaller fifth bedroom. A large fully tiled family bathroom serves three of the bedrooms and houses a bath and separate shower enclosure, w.c. and heated towel rail.

Two of the bedrooms benefit from en suite facilities. The master bedroom is particularly spacious with a range of professionally fitted wardrobes and storage cupboards, drawer units and dressing table. The ensuite has natural light and is equipped with a large rain shower, vanity sink unit and heated toilet seat. Three of the larger bedrooms also house a range of fitted wardrobes and storage cupboards. There is a second bedroom suite with ensuite facilities, ideal for guests.

Outside

The rear garden, measuring approximately 100' has been professionally landscaped and is open to the east and south. Against a backdrop of evergreen trees there is a large terrace retained by reinforced glazing and steps down to lawn.

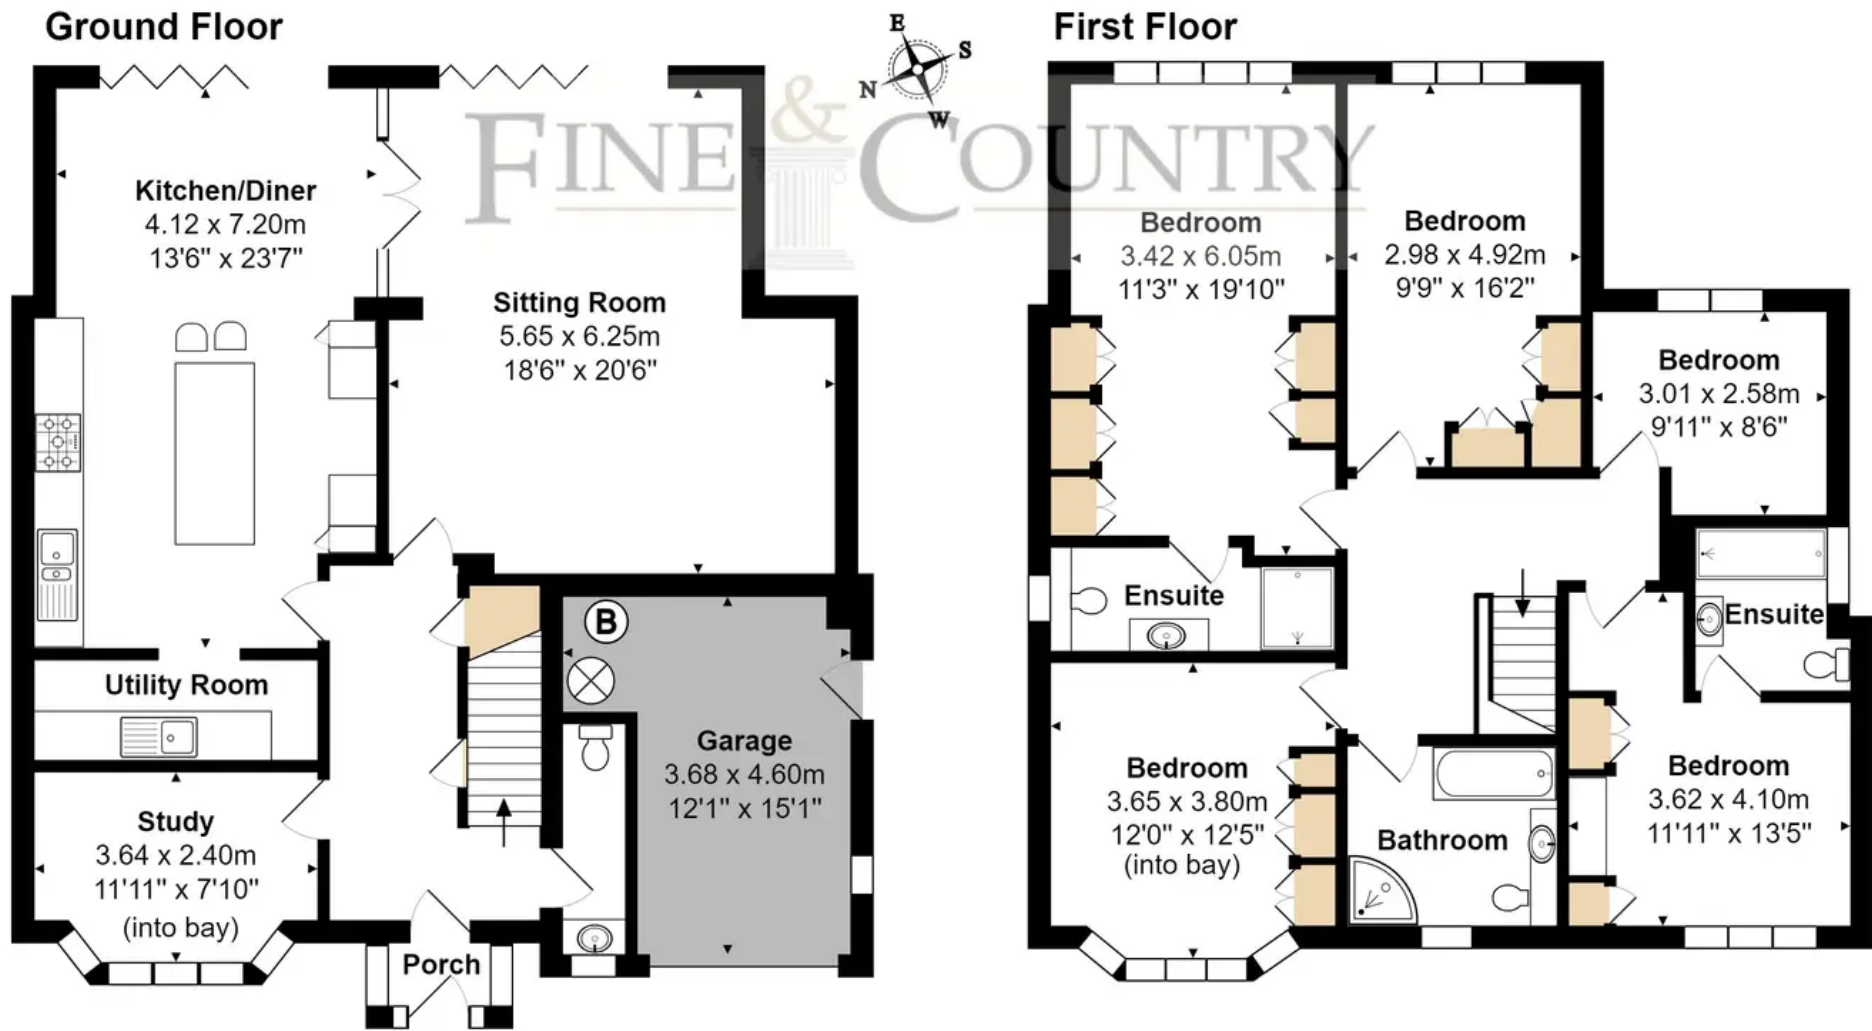

Large garden shed to the rear of the garden. Secure gated access to each side of the property to front garden.

To the front, a driveway providing ample parking and large single garage, with electrically operated roller door, also housing gas central heating boiler and Megaflow. External car charging point.
