HOUSING ACT 2004, PART 2
LICENSING OF HOUSES IN MULTIPLE OCCUPATION

FLOOR PLAN OF PROPERTY TO BE LICENSED

You are required to submit with your completed licence application form a sketch of the floor plan of each level of residential areas of the premises.

Please complete the form in either black or blue ink.

The floor plan may be a simple drawing or sketch completed by yourself (or if available, a copy of a formal plan).

This pack contains an example showing the type of sketch and detail required.

Use the symbols from the chart provided to mark the appropriate details on the floor plan.

You should provide a separate sketch for each floor level of the property.

Additional sheets may be added if you require further space.

Each room should be individually numbered on the plan. The room number and room dimensions should be entered in the chart provided.

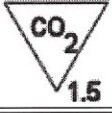

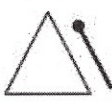

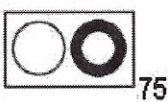

If you need any assistance completing the form, please contact:

Christian Smith – Tel: 01282 425011 ext 3198
