- ### The Property

This lovely light and airy property enjoys wrap around gardens on all four sides along with a detached garage and parking. Presented in good order although requiring some simple cosmetic modernisation, there is a good size kitchen/dining room and separate sitting room along with a family bathroom/WC and three double bedrooms. The previous owner had used the third bedroom as a study, but the versatile layout means there are options to utilise the space as required. The property has a modern gas fired combination boiler, serving the hot water and central heating as well as double glazed windows and doors. The bungalow enjoys a spacious level corner plot and is ideally located within a short walk to the village centre.

Location

Bere Alston is a vibrant and bustling village with an excellent range of local amenities including doctors' surgery, pharmacy, Co-op supermarket and village store. There is a well-respected primary school, Post Office, public house, take-away and a useful rail link to Plymouth, as well as a regular bus service. The Bere peninsular offers some stunning country and riverside walks being sided by the Tamar River on one side and the river Tavy on the other.
