An attractive decorative glazed front door with an external coach light takes you into the entrance hallway with doors to all the principle rooms and the ground floor cloak room.

The lounge/diner is a very spacious room and light room with a double glazed window to the rear aspect and double glazed sliding patio doors into the conservatory. A stone fireplace with wooden over mantle incorporates a wood burner and an arched feature inset to the side houses the wood burning logs.

The dining area provides ample space for a table and chairs ideal for entertaining family or friends. There are three radiators and a feature staircase, with a recess under, rising to the first floor. The timber framed conservatory has doors out to the rear garden and a wall mounted electric heater.

Outside to the front there is a tarmac driveway allowing parallel parking and leading to the converted single garage which has an up and over door, storage to the front, power and light. A paved pathway, with a gravelled area to the side, takes you to the front door and a wrought iron gate to the side takes you to the side door of the kitchen and in turn the rear garden. The rear garden is mainly laid to lawn and timber decking with a summerhouse in the corner.
