7 Lambley Way

Great Park, NE13 9BZ

One of only a handful of the same style on the Great Park development, the property features over 2,000 square feet of accommodation, with generous proportions throughout. This home is positioned perfectly, it overlooks the 'wildlife corridor' in-between the original and new parts of Great Park. The children's play park is visible from the front door, with Havannah First school and Great Park Town Centre a short walk away.

Presented to an extremely high standard, and with a bright and spacious feel to the property, the layout is briefly made up of a spacious entrance hallway. Double doors lead through to the triple aspect lounge, with feature corner window and French doors to the rear garden. Also off the hallway is the dining room, currently being used as a snug, again with French doors to the rear garden. The kitchen can also be accessed from either the dining room or the hallway, with Quartz work surfaces, integrated appliances and plenty of space for a breakfast table. There is also a separate utility room. The ground floor office is located at the front of the property, as is the downstairs WC, both accessed from the hallway.

To the first floor, the luxurious master bedroom features fitted wardrobes, walk through dressing area, a spacious en-suite shower room and access to the corner balcony. There is a further en-suite bedroom, again with fitted wardrobes, and two further bedrooms, plus the family bathroom.

Externally the property occupies a desirable plot with a rear garden that enjoys a Westerly aspect to allow for lots of sun light at different times of the day. The rear garden in particular has been landscaped with two feature block paved areas along with circular lawned sections and a sun terrace. There are also gardens to the front and side of the house, both of which are planted with a range of trees shrubs and seasonal flowers.

The double garage is positioned to the rear with double parking in front.
