This recently built family home has been enhanced by the current owners to offer a luxury standard of living. The position of this property offers a tranquil view over woodland with fields behind.

**£650,000**

# 5 Beamish Way

St. Mary Park Morpeth, NE61 6DB

Accommodation briefly comprises; an entrance hallway which includes a staircase to first floor and ground floor WC. From the hallway, a spacious lounge has windows and sliding door overlooking the rear gardens. There is a slightly smaller sitting room which is currently being used as a play room but would make for a fantastic snug or home office. On the other side of the hallway is the family kitchen. The kitchen runs the full length of the property, it offers a mixture of work, relaxation and dining spaces with windows to the front and rear allowing for plenty of natural light, it has a separate utility room to the side. The kitchen area offers a mixture of high end wall and floor units with coordinated Quartz work surfaces along with fitted appliances.

The first floor offers even larger accommodation with it being built over the integral double garage, a landing area offers storage cupboards and doors to all rooms. There is a fantastic master bedroom, this spacious area has plenty of room for a super king bed with appropriate furniture, the bed is positioned against a false wall with openings at either side to allow access to the walk in wardrobe area, an ensuite bathroom has a separate bathtub and walk in double shower cubicle.

The second bedroom is also of size, it once again has plenty of space for a large bed with furniture and provides access to a fully tiled ensuite shower room. Bedroom three would make for a perfect guest bedroom, a 3rd ensuite with an open outlook over the woodland to the front would be a perfect setting to host family and other guests. Bedrooms four and five conclude the sleeping accommodation. The family bathroom has been part tiled and provides a three piece suite including bath, sink and toilet.

Externally there is a lawned garden to the front with pathway access to the property, the front of the property is completely pedestrianised providing a perfect and safe space for children to play on warmer nights. To the rear is a large garden area laid to a mixture of lawn and paved areas, it has planted borders and a mixture of wall and fenced boundaries, an automatic electric gate leads to a multi car driveway which in turn leads to an attached double garage with electric up and over door.
