Internal accommodation briefly comprises: Entry through a porch into a central entrance hall, where a return staircase rises to the first floor. To the right, a superb open-plan kitchen with a range of high-quality base and wall cupboards and drawers, and a dining area, takes full advantage of the breathtaking open-aspect views across the Allen Valley through three windows. This space features integrated appliances, a mix of stone and wood worktops, a recently installed Rangemaster cooker, separate hob, and built-in microwave, integrated washer, dishwasher, and fridge-freezer. There is a larder cupboard, a central workspace, and direct access into a practical utility and boot room. Solid oak flooring.

From the hallway, a door leads into the generous triple-aspect lounge, where a large multi-fuel burning stove with a back boiler and French doors opening onto the side patio create a warm and inviting setting. Also on the ground floor are three well-proportioned bedrooms and a fully tiled four-piece family bathroom, which includes a shower, bidet, heated towel rail, washbasin, and WC.

There is a utility room with a Butler stone sink, plumbing for a washing machine and tumble dryer, central heating boiler, and stone flooring.

Upstairs, the first-floor landing is spacious with built-in storage cupboards. It leads to an additional double bedroom with useful eaves storage on both sides. A further door provides access to a second family bathroom, fitted with a five-piece suite including a bath, walk-in shower, heated towel rail, washbasin, WC, bidet, and towel cupboard.

Externally, the home is positioned within a generous 0.3-acre plot. The outdoor space includes a variety of lawned garden areas, raised beds, and a productive vegetable garden. To the rear, a charming enclosed courtyard features block paving, a sunken seating area, and a large ornamental pond. There are also two greenhouses—one currently used as a potting shed, the other as a summer house. There is a timber garden shed. To the front, there is a block-paved and tarmacked space for at least three cars. There is also a built-in BBQ and seating area at the rear.

Completing the offering is a large detached double garage with a separate central heating system, two windows on the east side, and a workshop, superbly maintained and featuring an electronic up-and-over door, lighting, power, and eaves storage. This space also holds strong potential for conversion into ancillary accommodation, subject to the necessary permissions. Super-fast BARN Wi-Fi. Water from a private spring, septic tank, and solar panels.
