The internal accommodation comprises: Entrance vestibule leading into the central entrance hall with doors leading into all reception rooms. To the rear of the ground floor, doors lead into three excellent reception rooms, all of which enjoy superb open aspect views over the rear gardens. The fourth reception room is positioned to the front of the property and offers fitted storage with a window overlooking the driveway.

A door from the rear of the entrance hall then opens into an impressive and extended kitchen/dining and family space, which measures 39ft in length, and benefits from modern, high gloss cabinetry, stone work-surfaces and a large central island with breakfast bar. The kitchen/dining space is mostly tiled with an extended area which enjoys a vaulted ceiling and bi-folding doors which open out onto the rear terrace and gardens. A door from the rear of the kitchen leads into a useful utility/boot room with door to the side.

The ground floor accommodation continues through to two ground floor double bedrooms. The principal bedroom offers access to a large walk-in wardrobe (with fitted storage) and into a generous en-suite bathroom which has been re-fitted.

An internal hallway then gives access to the first floor, which leads to two further double bedrooms. One with an en-suite shower room. There is also access at the first floor to a shower room with WC. A further door from the inner hallway leads into the large, integral double garage with light and power.

Externally, the property is accessed via secure, wrought iron, electronic entrance gates with secure entry phone system that open to give access to a large, multi-car driveway and double garage.

The grounds and gardens, which extended to approximately one acre, offer an abundance of well stocked borders with a large rear garden, which is laid mainly to lawn with paved patio seating areas and a great deal of privacy from the outside world. The plot offers a clear potential to extend the property further (subject to planning).

Priced to reflect some decorative modernisation, this excellent detached family home simply demands an early inspection and viewings are strongly advised.
