Accommodation comprises of a dual-aspect living room features a fireplace with a stove and secondary-glazed windows at the front and rear, allowing natural light to flood the space. The room is equipped with a storage heater, carpeted flooring, and wall lights. From here, you can enjoy stunning views of the garden and the countryside beyond. The kitchen is elegant and well-appointed, with a window and door leading into the breakfast room. It includes an Aga oven, fitted units with work surfaces, and a sink unit inset. There is also an integrated fridge freezer, part-tiled walls, tiled flooring, and a generous dining area. The kitchen is plumbed for a washing machine, making it highly functional for everyday use.

The garden/breakfast room is bright and airy, with double-glazed windows on the rear and side, built-in storage, and tiled flooring. A door opens to the garden, and you'll enjoy superb views over the fields.

The bathroom is well-presented with a bathtub and shower overhead, a WC, wash hand basin, radiator, laminate walls, and vinyl flooring, offering a clean and practical space for relaxation.

Bedroom one is a generous room with a lovely outlook over the fields through a double-glazed window at the front. It also includes two storage cupboards, carpeted flooring, and a storage heater. Bedroom two is a pretty room with a double-glazed window at the front and carpeted flooring, offering a cozy and peaceful retreat. Bedroom three is equally charming, featuring carpeted flooring and exceptional views through a double-glazed window at the rear, perfect for enjoying the surrounding scenery.

The utility, accessible from the garden, includes a door and window to the rear, along with plumbing for a washing machine, light, and power.

The garage is sizable, with windows to the front and rear, an up-and-over door, light, power, and a borehole filtration system.

Externally, the cottage boasts a beautifully maintained garden, around half an acre in size. The property has two driveways providing off-street parking, areas laid to lawn, and mature planted borders with shrubs and trees. There are also useful sheds and lean-to storage areas. To the rear of the garden, you'll find a vegetable plot and a greenhouse, perfect for gardening enthusiasts.

The property is heated by an oil-fired Aga, which provides hot water and heats the radiators. Additional heating is provided by storage heaters.
