The internal accommodation briefly comprises: an entrance hallway leading to a staircase to the first floor, a ground floor WC, the kitchen, and a rear reception room.

The kitchen, located to the right of the hallway, features a floor-to-ceiling window allowing for plenty of natural light and offers a range of fitted wall and base units along with a number of integrated appliances.

At the rear of the ground floor is a generously sized reception room, benefiting from French doors opening out onto the south-facing garden. The ground floor WC includes a wash hand basin, completing the ground floor accommodation.

The first floor comprises two bedrooms and a family bathroom. The rear bedroom spans the full width of the property, enjoys open rear aspects, and is a good-sized double with a fitted storage cupboard. The front bedroom is currently used as a gaming room but could equally serve as a bedroom, office, study, or nursery. The family bathroom on this floor includes a three-piece suite with partially tiled walls.

The second floor provides access to two further double bedrooms. The rear bedroom benefits from an en-suite shower room with a three-piece suite, while the front-facing bedroom is again a good-sized double.

Externally, the rear garden is laid mainly to lawn and also includes a paved seating area and fenced boundaries. To the front, there is off-street parking for two cars.

Double glazed throughout and with gas 'combi' boiler, this superb family home simply demands early inspection!
