Upon entering, you are greeted by a bright and welcoming entrance porch, which leads into a spacious inner hallway, both featuring intricate, decorative tiled flooring. The hallway provides access to the staircase leading to the first floor and includes a handy storage cupboard. To the right, you'll find a generously sized lounge, benefiting from a large front-facing window with excellent shutters, allowing an abundance of natural light to flood the room. The lounge also boasts beautiful luxury Kardean vinyl flooring and a charming wood-burning stove.

From the lounge, an opening leads into the impressive open-plan kitchen-diner. Originally two separate rooms, the current owners have combined them to create a wonderful, flowing living space. The kitchen continues the decorative tiled flooring from the hallway and is fitted with a range of high-quality wall and base cabinetry, tiled splashbacks, and ample counter space. A breakfast bar adds to the practicality of the kitchen. It is equipped with a Belfast sink, a stainless steel mixer tap, a hot water tap and integrated appliances, including a dishwasher, double oven, induction hob, extractor fan, and fridge-freezer. Bi-fold doors from the kitchen-diner open to the rear garden, and there is also space for a dining table. There is a large utility room, which offers a practical space for laundry and additional storage; the utility room provides both internal access to the garage and external access to the rear garden.

Stairs lead to the first-floor landing, which provides access to three bedrooms. The master bedroom is positioned at the front of the property and features large built-in wardrobes and panelled walls. At the rear of the house is another well-proportioned bedroom, while there is also a smaller front-facing bedroom. Completing the accommodation on this level is a well-appointed shower room, which includes a WC, a vanity unit, and a ceramic sink, all with fully tiled walls.

Externally, the property benefits from an enclosed rear garden, mainly laid to artificial turf, with neat fenced boundaries and a patio area. To the front, a large driveway offers off-road parking, complemented by carefully planted mature shrubs, and a garage for additional storage.
