The internal accommodation comprises an entrance vestibule with access to a WC and stairs rising to the first floor. This leads into a spacious living room featuring a character fireplace and French doors opening into a bright garden room, which in turn provides direct access to the garden. From the living room, a central hallway offers access to three well-proportioned rooms, two of which benefit from built-in wardrobes. These rooms are currently arranged as two bedrooms and a dining room but offer flexibility to suit individual requirements. There is a well-appointed family bathroom fitted with a shower, bath, WC and wash basin. Adjacent to the bathroom is the kitchen, which is equipped with a range of wall and base units and leads through to a practical utility area, formerly the garage.

Stairs rise to the first-floor landing, providing access to two additional rooms, ideal for use as home offices, further bedrooms or convenient storage.

Externally, the property benefits from a driveway providing off-street parking for two to three vehicles. The rear garden wraps around the home and is mainly laid to lawn, with paved patio seating areas.
