

Occupying a desirable plot on one of Langley's most sought after residential roads, this four bedroom detached property is offered to the market for the first time since the turn of the century, within a short walking distance of some of the best local schools including St Bernard's, Upton Court and Langley Grammar schools.

The property stretches a fantastic 2613 square ft. and offers spacious living accommodation suitable for a large family. The ground floor consists of a large entrance hall leading to family room on the left and a study on the right. An additional 24ft living room is positioned at the back of the house whilst a large open plan kitchen/diner offers views of an impressive rear garden, with access to a separate utility room, downstairs cloakroom, and both the lean-to/workshop and further storage areas.

Rising to the first floor a spacious landing area lends itself well to the possibility of a loft conversion. Four well-proportioned bedrooms offer a great range of fitted wardrobes, and an ultra-modern fully tiled family bathroom offers bath & shower facilities.

Externally the driveway provides ample off-street parking for 5-6 cars whilst to the rear of the property is a beautifully maintained garden, enjoying shrubbery borders that provide a high degree of privacy. There is also a 35ft outbuilding, currently utilised as a gym/office, but also features built-in wardrobes.
