Description:

The Homestead is a beautifully presented and unique three-bedroom detached chartist cottage, with the original 1800s building sympathetically extended by the current owners to create a light-filled, contemporary family home. Set within approximately four acres of grounds, this remarkable property blends period character with modern luxury, offering flexible living arrangements perfect for multi-generational families.

Approached via three separate driveways, the home enjoys a private and secluded setting, enhanced by beautifully maintained wraparound gardens. The grounds feature sweeping lawns, mature trees including plum, silver birch and oak, a charming stream along the rear boundary, and open views over neighbouring horse fields. A large timber decked seating area provides an idyllic elevated spot for enjoying the scenery, while the addition of external power sockets and an EV charging point ensures modern practicality.

The heart of the home is the stunning kitchen/breakfast room, designed with granite worktops, a boiling and filtered water tap, a large Belfast sink, and space for an American-style fridge freezer. A range-style cooker, microwave, built-in washing machine, and tumble dryer complete the specification. The kitchen's bi-fold doors open to the garden, while a remarkable feature – the original stone well discovered during the extension – now sits proudly under glass with its own lighting, creating a unique talking point.

The generous lounge is full of charm, with exposed timber beams, a wood burner, and sliding doors leading to the rear decked terrace. A spacious dining room links through to a sitting room, creating an easy flow for entertaining, while the majority of the home's living accommodation is on the ground floor – offering flexibility for different lifestyles. Bedrooms two and three are well-proportioned doubles, with the principal ground floor bedroom enjoying an en-suite with underfloor heating. A stylish modern bathroom serves the remaining rooms, featuring both a bathtub and a walk-in shower enclosure.

Upstairs, the impressive main bedroom suite enjoys fitted wardrobes, a dressing area, and a bright outlook over the grounds.

Beyond the main house, the property boasts a range of versatile outbuildings – including a gym, garden office, two stores, and a substantial

garage/workshop – ideal for hobbies, home-based work, or additional storage.

Situated in the sought-after semi-rural setting of Dodford, Bromsgrove (B61 9BN), The Homestead combines countryside tranquillity with easy access to major road links including the M5 and M42. The area is known for its charming village pubs, scenic walks, and well-regarded local schools in nearby Fairfield – making it the perfect retreat for those seeking space, character, and convenience.

Property to sell?

If you need to sell a property in order to buy, you ideally need to be on the market at least (and preferably Sold STC) before viewing, otherwise you may lose out to other buyers when the right property comes along. In these circumstances we can get your property 'live' quickly. Just book a free valuation and we will visit your property and discuss your needs.

Need a solicitor?

A good solicitor can save you literally weeks of time in the buying/selling process, reducing the stress levels of all involved. We will instruct a reputable firm that is competitive on cost and very reliable. Just ask for a quote.

Identity Checks

Estate Agents are required by law to conduct anti-money laundering checks on all those buying a property. We have partnered with a third party supplier to undertake these who will contact you once you have had an offer accepted on a property you wish to buy. The cost of these checks is £39 + VAT per buyer and this is a non-refundable fee. These charges cover the cost of obtaining relevant data, any manual checks and monitoring which might be required. This fee will need to be paid and the checks completed in advance of the issuing of a memorandum of sale on the property you would like to buy.
