Full Description

Situated in the heart of one of South Buckinghamshire's most sought-after villages, 19 Meadow Walk is a beautifully extended four-bedroom semi-detached family home that seamlessly combines comfort and practicality.

From the moment you step inside, the warm and inviting entrance hall with parquet flooring sets the tone, leading through to a cosy living room complete with a charming fireplace—perfect for relaxing evenings. Double doors flow through to a family room, creating a wonderful layout for modern family living.

The extended kitchen/breakfast room is truly the heart of the home, boasting high-quality fitted appliances, ample space for dining, and bi-fold doors that open out onto the beautifully landscaped rear garden, creating a fantastic indoor-outdoor connection. Additional ground floor benefits include a cloakroom and a utility room for added convenience.

Upstairs on the first floor, you'll find three well-proportioned bedrooms—two generous doubles and a comfortable single—as well as a family bathroom. The second-floor principal bedroom is a serene retreat, complete with fitted wardrobes, a private en-suite bathroom, and lovely views across woodland.

The rear garden is a particular highlight—fully enclosed, thoughtfully planted with flower and shrub borders, and offering a large patio area ideal for outside dining, there is also access to the side of the property. To the front, there is ample driveway parking for multiple vehicles and access to a converted garage, now a practical and secure storage area.
